MEMORANDUM FOR THE RECORD

SUBJECT : ADDP Comments on [REDACTED] Renewal FY '73

1. The ADDP comments were brief and highly laudatory for this project. He commented that he thought Agency support to [REDACTED] had ceased earlier and I agreed, but said that later on when Allende was elected, that earlier decision was reversed. [REDACTED]

[REDACTED] was no longer a tempting target for [REDACTED] to attack. As a result it has turned into a highly effective [REDACTED] with no [REDACTED] hang-ups which had aroused the ire of State Department earlier.

2. ADDP was told about the [REDACTED] and he expressed an interest in an English copy when received. He also asked whether it would be possible for him to meet with [REDACTED] when the latter visits the Washington area [REDACTED]. I said this could be arranged and we would let him know when [REDACTED] was actually in town.
